Looking forward to work in your organization which can provide me with varied opportunities to expand my knowledge and improve my skills, learn, and grow along with organization goals.

EDUCATION

Vignan's Institute Of Engineering For Women
2020 - 2024
B-TECH (Mechanical)
8.0 CGPA

Narayana Junior College
2018 - 2020
INTERMEDIATE (MPC)
9.0 CGPA

Bhashyam High School
2017 - 2018
CLASS X
9.7 CGPA

TECHNICAL SKILLS

- Basics of C programming language
- Basics of PYTHON programming language
- AUTOCAD
- CATIA
- Fundamentals of MS-OFFICE

PROJECTS

AUTOMATED GUIDED VEHICLE
We have developed a prototype of Automated Guided Vehicle which aims to replace traditional load carrying techniques using modern software

Pre-Engineering Building In AUTO CAD Software:
PEB design and detail using a single design to be built in a variety of materials and techniques to meet many structural steel needs according to design specifications.

Heat Exchanger In CATIA Software:
Modelling parts using TEMA standards, Preparing and extracting manufacturing detail drawings, fabrication details, and dimensioning

AGRICULTURE WATER SPRAYER
This project is done to help people for gardening and also for farmers to reduce maximum effort required for spraying pesticides

SOFT SKILLS

Good communication skills

Problem-solving

Team work

Adaptability

Positive attitude

CERTIFICATIONS

Accent CS Global's certificate of internship in AUTOCAD & CATIA in year 2023

TCS ION Certificate for successfully completing the course on INTRODUCTION TO SOFT SKILLS in year 2023

C & PYTHON certification

A certificate of completion for the project involving AGRICULTURE WATER SPRAYER in year 2022.
